REF.: INVESTIGACIÓN ARÁNDANOS USA

CIRCULAR N° 014

Estimados Exportadores de Arándanos:

La presente tiene por objeto informar respecto del estado de avance de la investigación de los EE.UU. de América relacionada a los arándanos importados por dicho país, la cual está siendo conducida por parte del US International Trade Commission (USITC).

Este proceso implicará cumplir con un estricto programa de actividades, entre las cuales se contempla responder un cuestionario por los exportadores y productores de los distintos países exportadores de arándanos a los EE.UU., cuyo plazo vence el próximo 16 de noviembre.

Considerando lo complejo del sistema de investigación, se ha concordado con nuestras autoridades contratar en forma conjunta los servicios profesionales de la oficina de abogados Steptoe International, lo que contempla el proceso administrativo ante la USITC y las acciones del lobby posteriores, cuyos costos se estiman en alrededor de los USD 550 mil.

De acuerdo a lo indicado, estimamos que el costo que deberá aportar el sector privado se estima en el orden de los USD 350 mil, lo cual contempla el 50% del costo de los abogados, más otros gastos de carácter logístico. Con el fin de solventar estos gastos, se ha definido una cuota de USD 4 por tonelada exportada a todos los destinos durante la temporada 2020-2021, la que será cobrada mensualmente en función del volumen exportado el mes anterior. Terminado el proceso, se realizará una rendición de cuentas y los eventuales saldos serán reintegrados a los exportadores.

Con el objetivo de informar respecto de esta importante materia, los costos asociados, las etapas del proceso, y en particular, sobre detalles importantes a considerar para completar los cuestionarios para exportadores y productores exigidos por la USITC, deseamos invitarlos a una reunión extraordinaria.

Dicha reunión se realizará este jueves 22 de octubre a las 12:00, a través de la plataforma Zoom, oportunidad en la cual se contará con la participación del Subsecretario de la SUBREI, señor Rodrigo Yáñez.

Para su información y atención con los plazos involucrados, el cronograma del proceso de la investigación es el siguiente:

- 16/Nov/2020: Plazo de entrega de los cuestionarios
- 17/Dic/2020: Reporte de Pre-Audiencias
- 29/Dic/2020, 18/Feb/2021: Resúmenes de Pre-Audiencias
- 12/Ene/2021 9:30 am (Fase de Daños), 25/Feb/2021 9:30 am (Fase de Reperación, si es necesario): Audiencias
- 19/Ene/2021, 03/Mar/2021: Resúmenes de Post-Audiencias
- 03/Feb/2021, 12/Mar/2021: Reporte a la Comisión
- 11/Feb/2021, 19/Mar/2021: Voto de la Propuesta

Adjuntamos cuestionario y carta de US International Trade Commission (USITC) que explica aspectos importantes sobre la forma de completar los cuestionarios. Al respecto, les solicitamos revisarlos y no responderlos aún. Durante la reunión de este jueves informaremos las directrices cómo abordarlo y se resolverán las consultas respectivas.

Esperamos poder contar con su participación. La reunión se realizará a través del siguiente link Zoom: <https://us02web.zoom.us/j/88975261949>

Considerando la relevancia de esta materia, es muy importante su participación en esta reunión, para lo cual agradeceríamos puedan registrarse en el siguiente link: <https://forms.gle/yi6AWg8RJU491cSL9>

PART I.--GENERAL INFORMATION

Background.--This investigation was instituted in response to a request filed on September 29, 2020, by the United States Trade Representative (“USTR”). Import relief may be imposed by the President on U.S. imports of blueberries as a result of this investigation if the Commission makes an affirmative injury determination and recommends to the President that he impose relief. The President may impose relief in the form of increased duties and/or other restrictions on imports of blueberries that are the subject of an affirmative injury determination.

Questionnaires and other information pertinent to this proceeding are available at:

https://www.usitc.gov/investigations/safeguard/2020/fresh_chilled_or_frozen_blueberries_safeguard/other.htm

Blueberries.--The blueberries covered by this proceeding are fresh, chilled, or frozen blueberries.

- **Fresh or chilled blueberries** are currently imported under the following statistical reporting numbers of the Harmonized Tariff Schedule of the United States (HTSUS): 0810.40.0029 (cultivated blueberries, including highbush, fresh or chilled); 0810.40.0026 (certified organic blueberries, fresh or chilled); and 0810.40.0024 (wild blueberries, fresh or chilled).
- **Frozen blueberries** are currently imported under HTS statistical reporting numbers 0811.90.2024 (wild blueberry, uncooked or cooked by steaming or boiling in water, frozen); 0811.90.2030 (blueberries, certified organic, cultivated (including highbush), uncooked or cooked by steaming or boiling in water, frozen); and 0811.90.2040 (blueberries, cultivated (including highbush), uncooked or cooked by steaming or boiling in water, NESOI, frozen). Before July 1, 2018, frozen blueberries imported under HTS statistical reporting numbers 0811.90.2030 and 0811.90.2040 were imported under a single HTS statistical reporting number, 0811.90.2028 (blueberries, cultivated (including highbush), uncooked or cooked by steaming or boiling in water, frozen). For purposes of this questionnaire, frozen blueberries refers to frozen whole blueberries, and does not include frozen further processed blueberries (e.g., frozen puree).
- The HTSUS provisions are for convenience and customs purposes; the written description of the scope is dispositive.

Reporting of information.--If information is not readily available from your records, provide carefully prepared estimates. If your firm is completing more than one questionnaire (i.e., a producer, importer, purchaser and/or foreign producer questionnaire), you need not respond to duplicated questions.

Confidentiality.--The commercial and financial data furnished in response to this questionnaire that reveal the individual operations of your firm will be treated as confidential by the Commission to the extent that such data are not otherwise available to the public and will not be disclosed except as may be required by law (see 19 U.S.C. § 2252(i)). Such confidential information will not be published in a manner that will reveal the individual operations of your firm; however, general characterizations of numerical business proprietary information (such as discussion of trends) will be treated as confidential business information only at the request of the submitter for good cause shown.

Verification.--The information submitted in this questionnaire is subject to audit and verification by the Commission. To facilitate possible verification of data, please keep all files, worksheets, and supporting documents used in the preparation of the questionnaire response. Please also retain a copy of the final document that you submit.

Release of information.--The information provided by your firm in response to this questionnaire, as well as any other confidential business information submitted by your firm to the Commission in connection with this proceeding, may become subject to, and released under, the administrative protective order provisions of the Trade Act of 1974 (19 U.S.C. § 2252(i)) and section 206.17 of the Commission's Rules of Practice and Procedure (19 CFR § 206.17). This means that certain lawyers and other authorized individuals may temporarily be given access to the information for use in connection with this proceeding or other import-injury proceedings conducted by the Commission on the same or similar merchandise; those individuals would be subject to severe penalties if the information were divulged to unauthorized individuals.

Valid number error messages.--If you are completing this form in a country that uses periods (".") to delineate multiples of 1000 (e.g., one million would appear as \$1.000.000 rather than \$1,000,000), you may be unable to enter in numbers greater than 999 in numeric form fields. The solution to this data entry issue is to temporarily change your operating system's number formatting to be consistent with the U.S. number formatting system while you complete this form. Detailed instructions on how to resolve this issue is provided at the end of this questionnaire and is available upon request from Jason Duncan (202-205-3432, jason.duncan@usitc.gov).

II-19. **Other explanations.**--If your firm would like to further explain a response to a question in Part II for which a narrative box was not provided, please note the question number and the explanation in the space provided below. Please also use this space to highlight any issues your firm had in providing the data in this section, including but not limited to technical issues with the MS Word questionnaire.

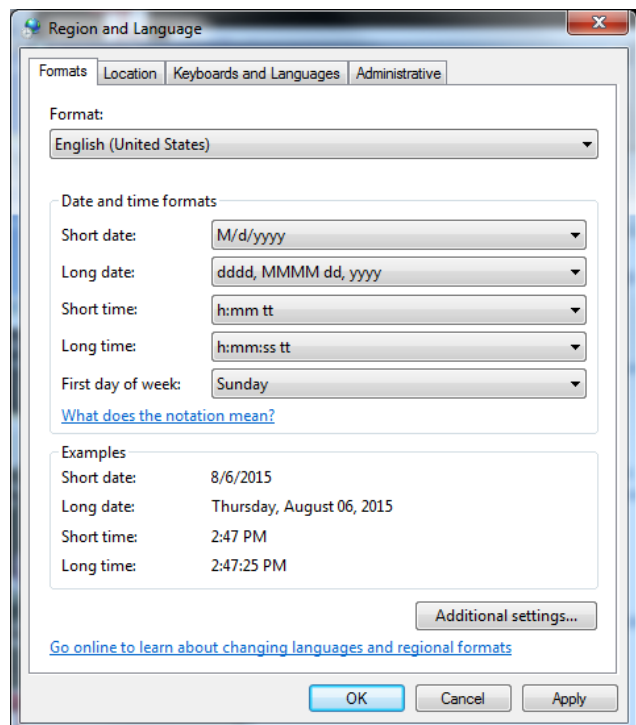

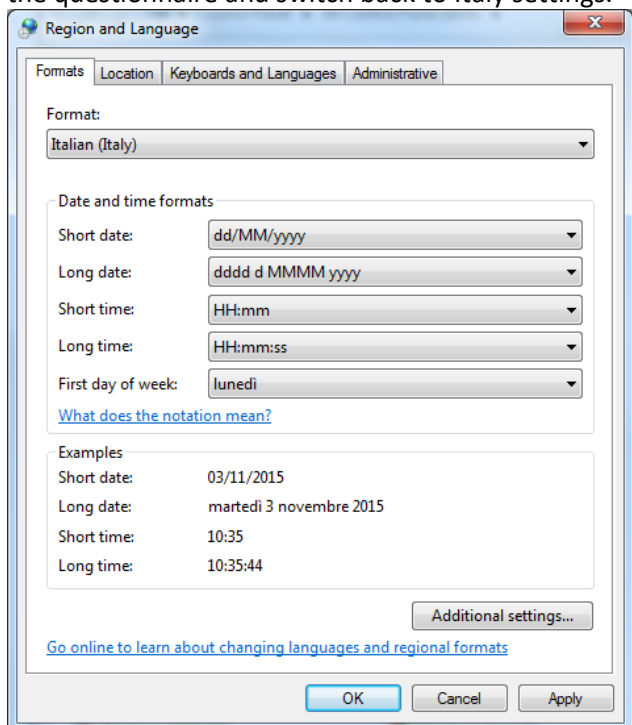

Correcting Valid number error messages.--If you are completing a Commission questionnaire in a country that uses periods (".") to delineate multiples of 1000 (e.g., one million would appear as \$1.000.000 instead of as \$1,000,000), you may be unable to enter in numbers greater than 999 in numeric form fields. This issues stem from your computer number formatting setting (e.g., not the MS Word document itself, but the computer from which you are opening up the document). In the United States commas (,) delineate multiples of 1000 and periods (.) delineate fractions less than one. Many EU countries use the reverse where multiples of 1000 are delineated with periods (.) and fractions less than one are delineated with commas (,). The US International Trade Commission's questionnaires are set-up in the United States with the U.S. number formatting. When this formatting interacts with a computer set to EU number formatting, we believe this may cause this issue.

The solution to this data entry issue is to temporarily change your operating system's number formatting to be consistent with the U.S. number formatting system while you complete the questionnaire.

To temporarily change your computer's number settings to U.S. settings, please do the following (for Microsoft Windows Operating system):

- START
- Control Panel
- Region and Language (under Clock, Language, and Region category)
- Format tab
- Change the Format from your existing one (e.g. "Italian (Italy)") to "English (United States)" (see screen shots below)

When you do this the number "twelve million dollars and thirty five cents" would change from \$12.000.000,35 (Italy format) to \$12,000,000.35 (U.S. format), and then there will be no conflict with the USITC foreign producer questionnaire form. When you finish reporting the data then you can close the questionnaire and switch back to Italy settings.

HOW TO FILE YOUR QUESTIONNAIRE RESPONSE

This questionnaire is available as a “fillable” form in MS Word format on the Commission’s website at:

https://www.usitc.gov/investigations/safeguard/2020/fresh_chilled_or_frozen_blueberries_safeguard/other.htm

Please do not attempt to modify the format or permissions of the questionnaire document. Please submit the completed questionnaire using one of the methods noted below. If your firm is unable to complete the MS Word questionnaire or cannot use one of the electronic methods of submission, please contact the Commission for further instructions.

- **Upload via Secure Drop Box.**--Upload the MS Word questionnaire along with a scanned copy of the signed certification page (page 1) through the Commission’s secure upload facility:

Web address: <https://dropbox.usitc.gov/oinv/> **Pin:** **BLUE**

- **E-mail.**—E-mail the MS Word questionnaire to jason.duncan@usitc.gov; include a scanned copy of the signed certification page (page 1). *Submitters are strongly encouraged to encrypt nonpublic documents that are electronically transmitted to the Commission to protect your sensitive information from unauthorized disclosure. The USITC secure drop-box system and the Electronic Document Information System (EDIS) use Federal Information Processing Standards (FIPS) 140-2 cryptographic algorithms to encrypt data in transit. Submitting your nonpublic documents by a means that does not use these encryption algorithms (such as by email) may subject your firm’s nonpublic information to unauthorized disclosure during transmission. If you choose a non-encrypted method of electronic transmission, the Commission warns you that the risk of such possible unauthorized disclosure is assumed by you and not by the Commission.*

If your firm did not produce or export this product, please fill out page 1, print, sign, and submit a scanned copy to the Commission.

Parties to this proceeding.--If your firm is a party to this proceeding, it is required to serve a copy of the completed questionnaire on parties to the proceeding that are subject to administrative protective order (see 19 CFR § 206.17). A list of such parties may be obtained from the Commission’s Secretary (202-205-1803). A certificate of service must accompany the completed questionnaire you submit (see 19 CFR § 206.17). Service of the questionnaire must be made in paper form.

UNITED STATES INTERNATIONAL TRADE COMMISSION

WASHINGTON, DC 20436

October 16, 2020

To Whom It May Concern:

This questionnaire pertains to fresh, chilled, or frozen blueberries. The United States International Trade Commission is investigating fresh, chilled, or frozen blueberries under section 202 of the Trade Act of 1974 (19 U.S.C. § 2252).

In this proceeding, the Commission must determine whether fresh, chilled, or frozen blueberries are being imported into the United States in such increased quantities as to be a substantial cause of serious injury or the threat of serious injury to the domestic industry producing such blueberries. The Commission has posted its notice of this proceeding (attached) on its website (www.usitc.gov) and published it in the *Federal Register* (85 FR 64162, October 9, 2020).

The business proprietary information you supply in this questionnaire or in connection therewith will be so treated by the Commission and will not be disclosed except as may be required by law. Your response will be consolidated with the responses of other firms and will form much of the statistical base for the Commission's determination. The questions in the questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible.

As noted on the last page of the questionnaire, responding firms should submit their questionnaire responses electronically in MS Word format. The submission of questionnaire responses in the MS Word format allows the Commission to electronically extract data from questionnaires and thus, compile, assess, and analyze submitted data more efficiently and promptly. Furthermore, the electronic submission of questionnaires completed in MS Word facilitates the Commission's ability to produce documents that comply with section 508 of the Rehabilitation Act of 1973.

Please return the completed questionnaire to the Commission by no later than November 16, 2020. Please direct questions regarding the questionnaire and correspondence to Jason Duncan (jason.duncan@usitc.gov, 202-205-3432) at the U.S. International Trade Commission, 500 E Street, SW, Washington, D.C. 20436.

Sincerely,

A handwritten signature in black ink, appearing to read "Nannette Christ".
